

## Making the Most of Supervision Training for Supervisors (SCP coordinators)

The aim of this course is to generate a positive relationship between supervisor and supervisee focusing on quality practice and, through this, to inspire and motivate staff in their work. The three day training is based on the Tony Morrison model of supervision in social care.

### **Key outcomes for participants include:**

- Identify key features, functions and benefits of supervision;
- Use and review a supervision contract;
- Apply the Kolb Cycle and feedback in supervision, and
- Apply skills to address issues of blocked performance.
